

SHARK BITES WITH SHARSE

Infoware Footy Tipping for 2022 is getting towards the business end of the comp.

Welcome to past the halfway mark in infoware's Footy Tipping Comp. The first season in a few where COVID 19 disruptions have settled and those of us who enjoy going to the live games can do so.

2 states of origins decided. **Qld the winner tonight to restore to their rightful place in history and Billie the Kidd's first successful season as QLD coach.** At least that is my prediction.

DAVEWK stole and has maintained the lead since round 3. Rumour has it he is so confident he was spotted in the Barossa this week researching expensive bottles of reds. It is up to the rest of us to make sure he has to pay for them rather than being 'gifted' from winnings. No pressure **DAVEWK** but your options from here are down, sideways or 'as is. It's tough at the top! **DVANHO** has a habit of breathing down the leader's neck – I'm sure I've seen you in this position before **DVANHO** so maybe you won't be the bridesmaid this year. There is a long way to go and let's hope for an exciting finish.

Also, there are some very seasoned strong performers plus a couple of new starters hammering away not too far behind – so the race still has a long way to go.

A very handy 8/8 tips for round 12 gave many tipsters the extra sought-after bonus point plus a few sharks' supporters got last week's 4/4 when they knocked off the storm so get a bonus point.

Tipster Standing

JACKPOTS

Jackpots started with a bang in round 1 for **VALLEYS** but then slowed down making the win more attractive \$\$\$\$\$. If the jackpot goes off this week (round 18), it will be a cool \$100. Something for the rest of us who are not in the leading bunch to play for in you can correctly pick the inevitable upset or two each week.

Tipster	Round	Prize
VALLEYS	1	\$10
BARCYMAGIC	8	\$70

LET'S GO BRONCOS'

Wow!! Going great Kevvy. You can't deny Adam Reynolds's presence whether on or off the field, the Broncos finally appear to have a purpose. Payne in the Haas had a tough time of "I can't make up my mind" and has decided to learn to live with his \$750,00 paycheck for this year and increased over the next years with the Broncos. And how exciting is Selwyn Cobbo!! – a few great tries under your belt and everyone loves you. Let's hope his new fame pressure doesn't upset his form.

The **COWBOYS** are surprising us all this season too sitting 3rd on the ladder smashing the Storm and then getting smashed by the Panthers (we'll turn a blind eye to that one). Settling Scott Drinkwater as a backline, improved defence, and a bunch of young forwards, especially Nanai are all contributing to their success. They have certainly found their mojo!!!

The **TITANS** – tipped to do big things this year??? I haven't even seen them play this year as their games usually clash with Lion's games.

Editors Note: Who writes this crap? Everyone knows it is the year of the Shark.

While diverging to other sports for a moment.

Until next time.

What is the historical significance of last Saturday (9th Jul 22) in Rugby Union?

Answer: The first day in history that Wallabies; All Blacks and Springboks all LOST AT HOME on the same day.

As usual, a plethora of bits and pieces form over the last few week's that have nothing to do with Footy. Contribution's welcome.

I went to the grocery store and they now have a parking spot for Fat guys that like to grill. That's so considerate.

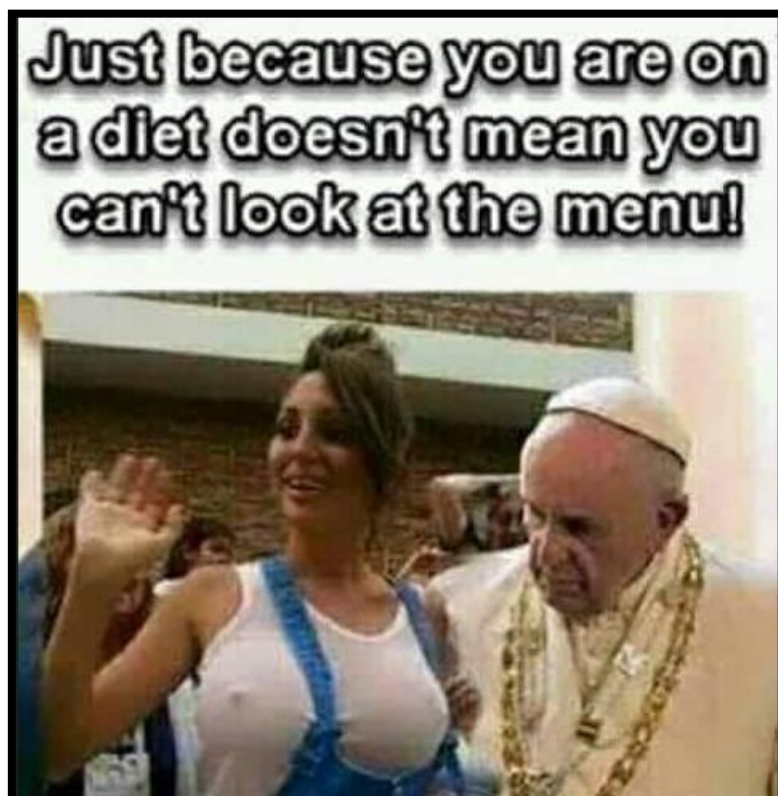

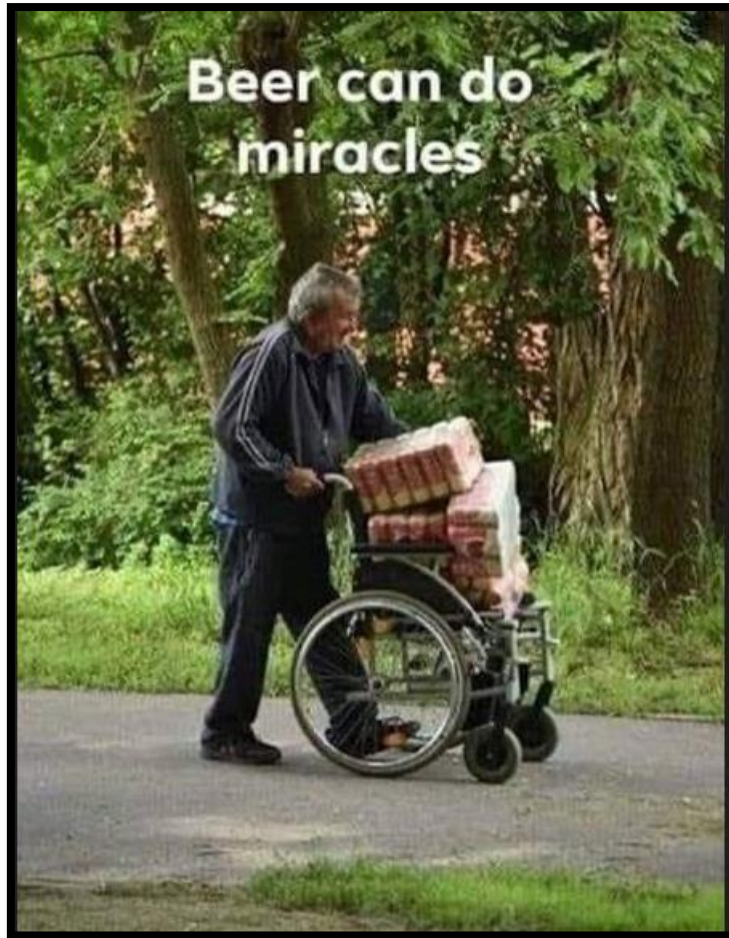

Barber: What do you want?

Me: I want my dogs to pay more attention to me.

Barber: I know just the thing.

I don't understand how a snake even begins to organize a trip like that.

And God promised men that good and obedient wives would be found in all corners of the world.
Then He made the earth round....and laughed and laughed and laughed...

**GOOD MORNING.
TODAY I'M DOING

**I STARTED DOING IT
YESTERDAY AND I
WASN'T FINISHED AND
I'M NO QUITTER.**
